

## **Job Opening**

Applications are invited from suitable candidates for the post of **Junior Research Fellow (JRF)** – 1 position in time-bound ISRO sponsored project entitled “Development of microwave absorber (carbonyl iron filled silicon rubber sheets) in 1 to 8 GHz range”.

**Educational Qualifications:** M.E./M.Tech. in Electronics and Communication Engineering with 60% marks.

**Stipend:** Rs. 25,000/- pm + 20% HRA.

Initially, appointment will be made for 1 year and is renewal for 2 more year subject to availability of funds. It would, therefore, not confer any right for any candidate for claiming extension or absorption in DA-IICT. However, the selected candidate will be encouraged to apply for the PhD program of DA-IICT.

Interested candidates meeting with above stated requirements may attend the walk-in interview with a copy of detailed bio-data enclosing photocopies of all certificates along with original certificates of qualification, experience (if any), etc. in support of their claim on **Monday, 31 July 2017 at 11 AM** at DA-IICT. No traveling or any other allowance will be paid for attending the interview.

Interested candidates should also e-mail a copy of their resume in advance to: [deepak\\_ghodgaonkar@daiict.ac.in](mailto:deepak_ghodgaonkar@daiict.ac.in).
