

Applications are invited from suitable candidates for the post of Research Associate – one position for Indian Council of Social Science Research funded project titled “*Using mobile sensing mechanism to assess smartphone addiction and its negative impact on students*”.

Educational Qualifications: M.Tech with 60% marks. Other required qualifications include prior knowledge in basic Statistics, and Java programming skills.

Stipend: Rs. 20,000/- pm (consolidated).

Initially, appointment will be made for one year and is renewal for one more year subject to availability of funds. It would, therefore, not confer any right for any candidate for claiming extension or absorption in DA-IICT. However, the selected candidate will be encouraged to apply for the PhD program of DA-IICT.

Interested candidates meeting with above stated requirements may send a copy of their resume on or before July 21st, 2018 to: alka_pariikh@daiict.ac.in

Shortlisted candidates will be intimated and called for interview subsequently. No traveling or any other allowance will be paid for attending the interview.
