Step 1

The screenshot shows a webmail interface for DA-IICT. The browser address bar displays <https://webmail.daiict.ac.in/#1>. The interface includes a top navigation bar with links like 'Most Visited' and 'Getting Started', and a secondary bar with 'Mail', 'Contacts', 'Calendar', 'Tasks', 'Briefcase', and 'Preferences'. The main content area shows an email titled 'DA-IICT Question Paper Upload System (QPUS): New user account' received on February 27, 2017, at 10:25 AM. The email body contains the following text:

Hi test1 test2,

A new account has been created for you at 'DA-IICT Question Paper Upload System (QPUS)' and you have been issued with a new temporary password.

Your current login information is now:

- username: test
- password: sIdEfN8RG

(you will have to change your password when you login for the first time)

To start using 'DA-IICT Question Paper Upload System (QPUS)', login at <http://10.100.56.150/COE/login/>

In most mail programs, this should appear as a blue link which you can just click on. If that doesn't work, then cut and paste the address into the address line at the top of your web browser window.

Cheers from the 'DA-IICT Question Paper Upload System (QPUS)' administrator,

The interface also shows a calendar for February 2017 on the left side, with the 27th highlighted.

You will receive this email for your log-in link, user ID and temporary password (to be changed on your first log-in).

After adding comments (if any), click Add submission to upload your question papers.

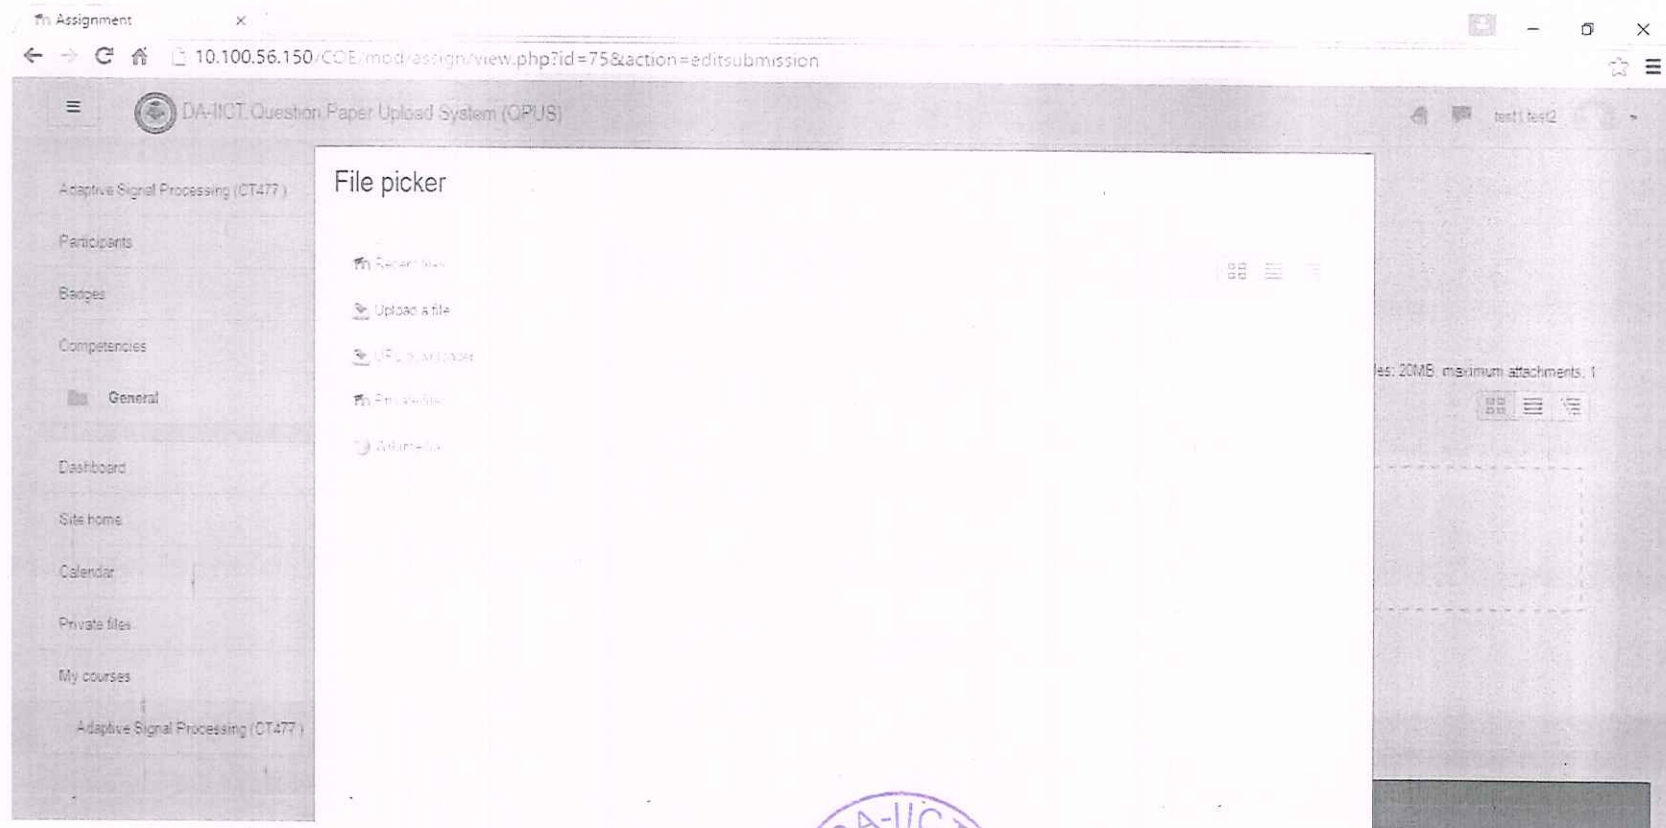

Step 7

The screen will appear as under after your click add submission

Step 8

On clicking the “down arrow” shown in the picture above, the next screen will appear as under:

Step 9

The screenshot shows a web browser window with the address bar displaying `10.100.56.150/COE/mod/assign/view.php?id=75&action=editsubmission`. The page title is "DA-IICT Question Paper Upload System (QPUS)". On the left, there is a sidebar menu with options: "Adaptive Signal Processing (OT477)", "Participants", "Badges", "Competencies", "General", "Dashboard", "Site home", "Calendar", "Private files", and "My courses". The "General" section is active, showing a "File picker" dialog. The "File picker" dialog has a list of options: "Recent files", "Upload while", "URL downloader", "Private files", and "Wikimedia". The "Attachment" section shows a "Choose File" button and a text input field containing "New Text Document (2).txt". Below this, there are fields for "Save as", "Author" (containing "test1 test2"), and "Choose license" (containing "All rights reserved"). An "Upload this file" button is at the bottom right of the form. On the right side of the page, there is a note: "Max. 20MB / maximum attachments: 1".

Click on choose file, browse and attach your question paper (preferably pdf file). Click "upload this file".

Step 10: Click "Save change" to complete the process.

The screenshot displays a web browser window with the URL `10.100.56.150/COE/mod/assign/view.php?id=75&action=editsubmission`. The page title is "DA-IICT Question Paper Upload System (QPUS)". On the left, a sidebar menu lists various options: Adaptive Signal Processing (CT477), Participants, Badges, Competencies, General (selected), Dashboard, Site home, Calendar, Private files, and My courses. The main content area is titled "File submissions" and shows a "test test" submission. Below this, there is a "Files" section with a "New Text Document" icon. At the bottom of the main area, there are "Save changes" and "Cancel" buttons. A footer bar at the bottom of the page contains the text "You are logged in as user (Logout)".

Step 11: In case you wish to change /modify the question paper, you can choose edit submission.

Data Management - TimeTable Management - User Management -

Welcome to DA-IICT Exam TimeTable Scheduler

Scheduling Rules

1. In InSem, students should not have consecutive exams if they are from different slots.
2. In InSem, students should not have exams in the morning if they are giving exam in last time interval of previous day.
3. In End Sem, students who are giving exam in the evening should not have exams in the next day morning.
4. In End Sem, maximum number of exams should be scheduled in the morning.
5. There should be optimum invigilations by engaging minimum number of rooms.
6. Rooms are allocated in ascending order of room priority values set in 'Room Details' section
7. To use second floor rooms, least priority can be given to them.
8. Courses are selected in descending order of students strength except when smaller ones have more priority.
9. In above rule, courses in same time slots are reallocated to minimize no of rooms.

Data Entry Format:
Course File: (course name, course id, number of students, batch code)
