Recipient of Centre of Excellence Award by the Government of Gujarat

7.1.11 Institution celebrates / organizes national and international commemorative days, events and festivals

Describe the efforts of the Institution in celebrating /organizing national and international commemorative days, events and festivals during the last five years within 500 words

The institution organizes national memorial days such as Independence Day and Republic Day to instill patriotism in pupils. Flag hosting occurs on these days, followed by different ceremonies/events dedicated to our nation by various clubs and committees. Teacher's Day is an important day for students and professors because students pay tribute to their teachers by performing various performances such as plays, and so on, and dedicate an entire day to the gurus of our lives. The institution also commemorates international commemorative days such as Women's Day, where sessions were held by clubs and the Gender Cell with the assistance of professors on the topics of enlightenment, great misconceptions, and the hotly debated - Feminism (The F-word). The podcast link is also included below. On the occasion of Women's Engineering Day, the institution also hosted a national-level ideathon with some curated insightful themes to brainstorm and come up with amazing solutions that can actually make a difference. On the occasion of International Women's Day, our valued guest speaker Ms. Henna Awtaney from Yoga and Wellness Studio, Ahmedabad, also hosted a webinar on the theme of Yog Shakti.

The Institute also celebrates International Yoga day with participation of both students and faculty.
