Hello everyone,
We hope you're doing well.

With Navratri around the corner, it is heart breaking that the grounds won't be filled with enthusiastic garba lovers grooving ard dancing away to the beats of Garba!

Nothing can stop a true garba lover!
Having said this, to make your and our Quarantine Navratri interesting, we have planned to conduct two very exciting events as a part of our initiative in the virtual campus model.
Those will be as follows:

Event 1: ***Jhalak - A costume photography contest***

Event 2: ***Zankaar- A virtual Garba video contest***

We will be sending out mails that will contain the description, timeline, guidelines and rules of the events soon.
These events will surely ensure that all of us have a great and an exhilarating(yet safe!) Navratri

Also, in the anticipation of Navratri we created a challenge video ard uploaded on our Instagram page. Check it out if you haven't yet ! Here's the link to the same:

Hello,

We all know the upcoming semester being in the online mode comes with its own set of challenges. The continuity of academics and virtual campus life is the most important for our learning and personality growth.

It has come to our notice that some students relied only on the institute's resources. Due to their financial constraints, they could not afford critical resources like internet connection and a personal computer. We can only expect this situation to get worse for them with the pandemic crisis.

Acknowledging this, SBG has come up with this initiative, called the **Student Emergency Fund (SEF).** This fund is to help those students of DA-IICT, in these testing times, who due to unforeseen circumstances or financial constraints find it difficult to afford necessary e-infrastructure facilities for the upcoming semester. This fund will be managed by the **SEF committee** which has the representation of **students** and **alumni.** We are thankful to **Prof. Yash Vasavda** for mentoring the SEF Committee.

This is a crowd-funded initiative and depends on contributions from students, alumni, friends, faculty, and well-wishers of the student community of DAIICT. We are beginning the **fundraising** for the same. If you feel that you want to help your friends & peers, go and contribute to the SEF online portal.

To avail funds from the SEF, go to the SEF Website(sef.daiict.ac.in) and submit the application. Only students of DA-IICT are allowed to apply. The applications will be reviewed thoroughly by the SEF Committee and it shall be ensured that the neediest are served first. For more information check the FAQs. You can reach out to us for further queries at sef@daiict.ac.in.

We are grateful for the enthusiastic and selfless help of **Sanket Chaudhari(201701247)** in this initiative. We would also like to give a special thanks to the **Annual Festival Committee** for providing us with their Synapse bank account for fundraising purposes.

Your smallest contributions will create a huge impact in someone's life because every drop makes up an ocean.
