Hello,

The **DA-IICT Theatre Group (DTG)** in collaboration with the **Gender cell** posted a collection of plays on youtube regarding the importance of **Gender Sensitization and awareness** in our society. The video was shared with the freshers who attended the **gender** cell session on 19th November 2020.
The video is quite impactful, breaking barriers to the old conservative mentality in society.
The plays were performed by the DTG in creative supervision from Prof. Shweta Garg and the **Gender Cell**.

Hello people!

Gender as a concept remains an inseparable part of our life, something that is not very well understood but affects people's lives, cultures, and arts deeply.

In that spirit, the Radio Club in collaboration with the **Gender Cell** is organizing a talk on **The Indian Queer Experience - Past and Present**. The talk will cover topics like the basics of gender, especially in the **Indian** context, diving into the past - including **queer** art and the present - the legalities about gender and how gender interacts with caste.

Hello all,

We hope everyone is doing good.

We will be starting with the General Elections for the 2019 batches followed by the SBG Core elections soon. Since this will be the first time online elections are conducted, there are a couple of things that we want the student community to be informed about.

In the normal circumstances, we used to follow the process of in-person verification with any one of the EC members after filling up the nomination/ withdrawal form. This will not be possible this time. Hence, any form filled up using the institute's email ID will mean that it was indeed the respective person who filled it and not someone else. Therefore, if you have shared your institute's email account's credentials with anyone, then it is advisable that you change them immediately. No requests saying it was someone else who filled the form using my email account will be entertained.

Sending us a manifesto will be mandatory, not only for those contesting in the General Elections but also for those contesting in the SBG Core elections.

Lastly, I would like to introduce you all to the members of the Election Commission 2020.
