

**INDEPENDENT AUDITORS' REPORT**

**Report on the Audit of the Financial Statements**

**Opinion:**

We have audited the accompanying financial statements of **Dhirubhai Ambani University, Gandhinagar ("DAU")**, (Formerly known as Dhirubhai Ambani Institute of Information and Communication Technology) which comprise the Balance Sheet as at March 31, 2025, and the Income and Expenditure Account for the year that ended and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of DAU as at March 31, 2025, and its surplus for the year ended on that date.

We conducted our audit of the financial statements in accordance with the Standards on Auditing prescribed by the Institute of Chartered Accountants of India ("ICAI"). Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Statements* section of our report. We are independent of DAU in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

**Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position and financial performance of DAU in accordance with the accounting principles generally accepted in India, including the applicable Accounting Standards. This responsibility also includes maintenance of adequate accounting records for safeguarding the assets of DAU and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing DAU's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate it or to cease operations, or has no realistic alternative but to do so.

The Management is responsible for overseeing DAU's financial reporting process.

*mb*

### **Auditor's Responsibility**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing our opinion on the effectiveness of the internal financial controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on DAU's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause DAU to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## **SORAB S. ENGINEER & CO. (Regd.)**

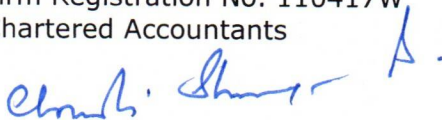

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

### **Report on Other Legal and Regulatory Requirements**

Further, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by the Act have been kept by DAU so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Income and Expenditure dealt with by this Report are in agreement with the relevant books of account.

# DHIRUBHAI AMBANI UNIVERSITY

## SCHEDULE 21 : NOTES FORMING PART OF ACCOUNTS

### 1 General Information

The Dhirubhai Ambani Institute of Information and Communication Technology ("The Society"), having its Office at Indroda Circle, Gandhinagar, Gujarat was established in 2001 as a Society under the Societies Registration Act, 1850 and Bombay Public Trust Act, 1950, and subsequently an Act of State Government of Gujarat viz Dhirubhai Ambani Institute of Information and Communication Technology Act, 2003 conferred the status of a university for the purpose of to help build a knowledge-led society founded on intellectual competitiveness for global leadership. The DA-IICT is a Private University and its has included in the list of universities maintained by the University Grant Commission (UGC) under Section 2(f) of the UGC Act, 1956. The name has been changed to Dhirubhai Ambani University vide the Gujarat Government Gazette published on May 13, 2024.

### 2 Significant Accounting Policies

#### a Basis of Preparation of Financial Statements

The financial statements that comprise Balance Sheet and Income & Expenditure Account together with notes, are prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with applicable Accounting Standards issued by the Institute of Chartered Accountants of India (ICAI). The financial statements are prepared under the historical cost convention on going concern and on accrual basis unless other wise stated. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

#### b Use of Estimates

The presentation of financial Statements in accordance with Generally Accepted Accounting Principles in India requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and the disclosures of contingent liabilities as at the date of the financial statements and the reported amounts of income and expenses during the year. Examples of such estimates include useful life of fixed assets, employee benefits, contingent liabilities etc. Actual results could differ from those estimates. Any revision to accounting estimates is recognised prospectively in the current and future periods.

#### c Revenue Recognition

##### i) Registration, Tuition & Hostel Fees

Fee received from the students for admission, Tuition and Hostel are recognised over the duration of the respective courses. Fees for other courses is recognised in the period in which the services are rendered.

##### ii) Surplus on Sale of Investments /Assets held for earmarked funds & others

Surplus or deficit out of sale of investments/Assets held for earmarked funds & others is recognized on a trade date basis. The cost of investments /Assets held for earmarked funds & others is computed on FIFO basis.

##### iii) Other Income

Interest income is accounted on a time proportion basis.

#### d Property, Plant & Equipments

Property, Plant & Equipments are stated at cost of acquisition less accumulated depreciation and impairment loss, if any. The cost includes acquisition cost which is directly attributable to bring the asset to its working condition for its intended use.

#### e Depreciation

Depreciation on all Property, Plant & Equipments (Acquired out of the own funds) are provided on a Written Down Value (WDV) method based on the estimated useful life at the following rates as approved by the Board of Governors of the University. If the assets are acquired or purchased on or before 15 of the particular month, than full month depreciation is provided, otherwise depreciation provided in the next month of purchased.

Property, Plants & Equipments	Rate of Depreciation
Buildings - Hostel	10.00%
Air Conditioners & Office Equipments	33.33%
Computers & Data Processing Units	40.00%
Furniture & Fixtures	33.33%
Motor Vehicles	25.00%
Library Books	60.00%

#### f Impairment of assets

The carrying value of assets at each balance sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor. When there is indication that an impairment loss recognised for an asset in earlier accounting periods no longer exists or may have decreased, such reversal of impairment loss is recognised in the statement of income and expenditure.

#### g Investments / Assets held for earmarked fund & others

Investments/Assets held for earmarked fund & others are classified into Current Investments and Long-term Investments (Non Current). Current investments are valued, scrip wise, at cost or fair value, whichever is lower. Long term Investments (Non Current) are valued at cost. Provision for diminution is made scrip wise to recognise a decline, other than temporary. Investments in the form of deposits with banks and other investments maturing after a period of twelve months from the date of balance sheet are classified as non-current and others are classified as current.

#### h Foreign Currency Transaction

Transactions denominated in foreign currencies are normally recorded at the exchange rate prevailing at the time of the transaction. Exchange differences, if any arising out of transactions settled during the year are recognised in the Statement of Profit and Loss.

Monetary assets and liabilities denominated in foreign currencies at the year end are restated at year end rates.

#### i Employee Benefits

##### i) Short Term Employee Benefits

Short term employee benefits like salary, allowances, exgratia are recognised as expenses in the year in which the related services are rendered.

##### ii) Defined Contribution Plans

Defined contribution plans are those plans where the Institute pays fixed contributions to Provident fund managed by independent trust. Contributions are paid in return for services rendered by the employees during the year and recognised as expenses in line with salary and allowances. The Institute has no legal or constructive obligation to pay further contributions if the fund does not hold sufficient assets to pay/extend benefits to the Employees.

##### iii) Defined Benefits Plans

The Institute provides gratuity, post retirement pension and compensated absence to its employees. Gratuity liability is funded with Life Insurance Corporation of India. The liabilities towards compensated absence and post retirement pension are not funded. The present value of these defined benefit obligations are ascertained by an actuarial valuation done by LIC as per the requirements of Accounting Standard (AS) - 15 Employee Benefits. The liability recognised in the balance sheet is the present value of the defined benefit obligations on the balance sheet date less the fair value of plan assets (for funded plans) together with adjustments for unrecognised past service costs. Past service costs is recognised immediately to the extent that the benefits are vested. All actuarial gains and losses are recognised in the Statement of Income and Expenditure in full in the year in which they occur.

#### j Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when there is a present obligation as a result of past events and it is probable that there will be outflow of resources and a reliable estimate of the obligation can be made of the amount of the obligation. Contingent liabilities are not recognised but are disclosed in the notes to the financial statements. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made. Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed. Contingent assets are not recognised nor disclosed in the financial statements.

### 3 Segment Reporting :

The Institute's operations are confined to "help build a knowledge-led society founded on intellectual competitiveness for global leadership" and predominantly spread in India. Hence all its operations fall under single segment within the meaning of Accounting Standard (AS) - 17 Segment Reporting.

### 4 Contingent Liability & Commitments

Particulars	(Amount in Rupees)	
	As at March 31, 2024	As at March 31, 2023
Disputed Demands	-	-
Claims against the Institute not acknowledged as debts	-	-
Capital commitments (Net of Advance)	-	-

5 In the opinion of management, all the Assets other than Fixed Assets and Non-Current Investments are approximately of the value stated if realised in the ordinary course of business.

6 Previous year's figures have been regrouped / restated where necessary, to confirm to the presentation of current period's financial statements.
