1. GR. No. MIS-102014-924909-1 dated 27.1.2015
2. SLIC meeting minutes Dated. 30.11.2015

Start-ups in an economy's technology sectors is an important indicator of Technological performance for several reasons: first, the formation of new firms that focus on the development and introduction of new technology is a major source of innovation and technological advance. Many of these start-ups transfer new knowledge or new ideas into products and processes into commercial applications. Start-ups are likely to bring in new solutions and challenge established by individuals/ companies that enter these new markets.

As per the provisions of GR Read above, State Level Implementation Committee in its 2d SLIC meeting held on date 30/11/2015 has sanctioned Dhirubhai Ambani Institute of Information and Communication Technology (DA-IICT) as Nodal Institute. Brief details of facilities available at the institute are as under.

- 1 Separate seating arrangement for 20 persons
- 2 Minimum Area of 2500 Square feet
- 3 Incubation center available 16 hours per day including post office-hours
- 4 Meeting room, Seminar/AV Conference hall, Computers, Internet Network
- 5 Concerned Subject experts

This sanction is subject to fulfillment of the following terms and conditions.

- a) The Nodal Institute has to invite and motivate the innovators for innovation
- b) The Nodal Institute has to give mentor services as well as has to allow innovators to utilize facilities available in the institute.
- c) The Nodal Institute has to appoint two full-time managers in the incubation. The managers should be certified for Research/Innovation guidance or they have to obtain it within the one year period.
- d) The Nodal Institute has to maintain records for all the expenditures and has to present it at the time of availing incentive. Subject to AG Audit.

(P.T.O)

- e) The institute has to observe pollution control measures as prescribed by GPCB or other competent authority whenever required.
- f) The Nodal Institute have to form a screening committee to select new potential ideas/start-ups on their level, the institute have to send the list of the members of the screening committee and the list of the potential start-ups selected with their due recommendations.
- g) The Nodal Institute also have to mention on their official website and all correspondence related to the startup that now, they are approved as the Nodal Institute by the Government of Gujarat under the Start Ups/ Innovation Scheme.
