Description

Since the beginning of the pandemic, things have started to move on a virtual platform. Considering this, we organised Chess workshop for students.

It was a 6 day long action-packed workshop organised on chess.com platform with over 150+ students. The chess workshop used to be of 5 hours daily.

Chess workshop saw everything- Introduction of chessboard, Introduction of Chess pieces, how to arrange them on the chessboard, how to move them, Points and symbols of the pieces, Rules for how to play a good game, Checkmate in 1 move, learn from a professional chess player and coach, understand how to make a good move in a tricky situation, Tips & tricks to avoid common mistakes for beginners, Learn strategy, game theory, and time management.

It was organised with a view to develop a composite chess culture in the University through a training camp. We are proud to say that we were able to connect more than 200+ people through this event and it was a great success and was very efficiently organised by the Sports Committee under the guidance of the Faculty Mentor- Professor Rahul Muthu.
